day of February, 2006.

David B. Humpton, City Manager

December 12, 2005

Dr. Frank Mate
225 Rolling Road
Gaithersburg, MD 20877

Dear Dr. Mate: *DR.*

Your term on the Beautification Committee has recently expired or will be expiring soon. On behalf of the Council Members and myself, I would like to express our appreciation for your commitment to serving our City in this capacity. Our Boards, Commissions, and Committees perform vital functions in a variety of areas, and we recognize and value your contribution very much.

As you may know, we recently revised our appointment policy to require that all volunteer positions be advertised to provide the public with an opportunity to apply. In the near future, we will be evaluating the requests to fill these vacancies and appointments will be forthcoming soon thereafter.

If you would like to be reappointed or if you do not wish to be reappointed to the volunteer body you presently serve on, please indicate so by signing below and returning this letter by, *Friday, December 23, 2005*. For your convenience, I have enclosed a self-addressed, stamped envelope.

Again thank you for your commitment to the City of Gaithersburg. If you have any questions, please feel free to contact Sarah Paxton, in the City Manager's Office, at 301-258-6310.

Sincerely,

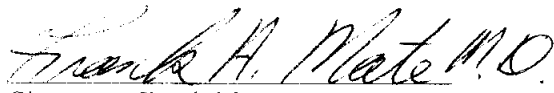

Sidney A. Katz
Mayor

The Honorable Sidney Katz
Mayor, City of Gaithersburg
Gaithersburg City Hall
31 S. Summit Avenue
Gaithersburg, MD 20877

Dear Mayor Katz,

I'm writing to express interest in becoming a member of the City of Gaithersburg's Communications Committee. Having moved to Gaithersburg in 2000, after living in New Jersey all my life, I would consider it to be an honor to help promote a city that quickly became a home to me and not just a home away from home.

Attached for your reference is a copy of my resume. I hope you will agree that my experience in the field of public relations and communications will be of value to the considerable talents already on the committee.

Feel free to call me if you have any questions or require additional information.

Sincerely,

Claudia B. Jones

CLAUDIA B. JONES

CAREER SUMMARY

Over 20 years integrated public relations experience working for a *Fortune* 100 company, a leading Japanese electronics corporation and a public agency. Managed departments responsible for English and in-language media relations, internal and external communications, constituency relations and special events. Supervisory experience includes coaching a staff from two to 12, as well as managing large and small public relations agencies. Extensive background in design and implementation of public relations and communications programs in support of business and public policy objectives.

PROFESSIONAL EXPERIENCE

2000–Present AT&T

Washington, DC

Currently serves as Executive Director of Media Relations supporting AT&T's federal government affairs, congressional relations and public policy departments. Develops communications strategies and manages relationships with national and Washington, DC-based news media and trade reporters to ensure stories accurately reflect AT&T's position on key public policy and legal issues. Serves as AT&T spokesperson for print, radio, and TV media outlets. Prepares press releases, response statements, and briefing materials for press initiatives related to public policy issues.

1996–2000 AT&T

Basking Ridge, NJ

As Consumer Affairs director in 1999 and 2000, was responsible for AT&T's relationship with national advocacy organizations and influential consumer leaders. Directed a 15-member consumer advocates advisory panel to offer advice and council on how corporate programs and services affect consumers.

From 1996 to 1998, served as public relations counsel responsible for strategies and programs in support of multicultural marketing divisions. Directed press initiatives for Spanish and Asian-language media — realized a 45 percent year-over-year improvement in story placements in multicultural media outlets.

1993–1996 Ricoh Corporation

West Caldwell, NJ

Designed and managed national communications strategies for Ricoh's peripheral and office products lines. Developed media relations strategies for trade show appearances. Served as chief media spokesperson. Implemented programs designed to strengthen brand awareness — 8.3 percent year-over-year improvement realized. Additional responsibilities included executive speechwriting and employee communications.

1983–1993 NJ TRANSIT

Newark, NJ

In the capacity as Director of Communications Services, planned and implemented public relations strategies for communicating to customers, employees, the press, and elected officials. Managed production of publications including the annual financial report, customer brochures, and employee newsletters. Planned special events to showcase new projects and activities. Managed a community service education program to teach grammar school children about transportation safety.

Rockville, MD 20850-2740
January 29, 2006

Mayor and City Council
31 South Summit Avenue
Gaithersburg, Maryland 20877

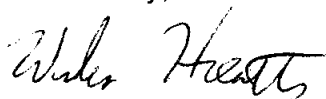

Dear Sirs:

I am interested in serving on the Community Museum Train Annex Ad Hoc Committee.

Even though I am not a resident of Gaithersburg, I am interested in the future of the museum.

Attached is my resume.

Yours truly,

William Holdsworth

10 Radburn Court, Rockville, MD, 20850
Phone: 301-762-9376 (H) , 301-444-2138 (W)
Email: w.holdsworth@att.net

QUALIFICATIONS

- Long-standing interest in local railway history
- Active in local historical organizations: Potomac Chapter, National Railway Historical Society (NRHS), and C&O Canal Association
- Awareness and appreciation of the Community Museum and its site. I have served as a volunteer aboard the troop/kitchen car during Olde Towne Day celebrations
- Professional managerial experience

Kensington, MD

- I created and maintain the chapter web site, potomac-nrhs.org
- The chapter has long been associated with the Gaithersburg Railway Museum
- Part of the mission of the chapter is “*to increase public awareness of railroads and their history.*”

- A long-time member of the association, I have become more active in recent years. I helped organize participation in the 2004 Douglas Hike. That even saw 60 people hike the 184-mile length of the canal in two weeks to celebrate the 50th anniversary of the Justice Douglas's original hike, which led to the creation of the park. I have been nominated to serve as secretary of the organization for 2006.

Germantown, MD and Gaithersburg, MD

- AVAILABILITY** I have potential conflicts with two of the scheduled meeting dates for the committee. On March 8, a board meeting is scheduled for the Potomac Chapter, but these are frequently cancelled. On June 7, I may need to travel out of town for work.

Dear Hon. Sidney A. Katz,

Subject: applying for a council Member

I have been an active member of the Upcounty Senior Center for 3 + years and enjoy many of the activities provided. I recently learned of an opening on the council. I am a retired Computer Systems analyst after working 25 + years in IT field. I have a Master's degree from University of Maryland. Also I have a Toastmaster's title. I have worked in various companies, holding Project Manager and team leader positions. I live in Maryland from last 33 years.

I feel I have a good deal of experience and can help with some of the issues that confront the council. I live active life style and wish to contribute whatever I can to our community. I've am being referred to you by Mr. Joseph Pizzonia, an active member of the council for the last 3 years. I wish to place my name in consideration for a seat on the council.

Sincerely yours,

Vandana R. Kharod.

Statement of Interest

Due to my interest in the community and its unique diversity, I am interested in participating on the Multicultural Affairs Committee. I live in a diverse neighborhood and value the richness that this experience has brought to my family.

I have always had great concern regarding the tensions, misconceptions and maltreatment between groups in all areas of the world. I see my involvement in this committee as an opportunity to do a small part in improving relations and making a positive contribution to this issue.

I have a wide range of skills, from working with diversity to community organization. I feel that I can bring to the committee skills that will assist it in achieving its Mission of enrichment and the "promotion of understanding, respect, and appreciation" of the various cultures found in Gaithersburg, and the wider community in which we reside.

I am recently retired and have the time and energy to contribute to the community. I will enjoy using my skills and keeping toned, as I continue in this new passage of my life.

Support backup for all groups when coverage was limited, worldwide.
Championed with the HelpQ database and Lucent CentreVu call management system.

December 1995 – November 1997

***Hewlett Packard Company, Rockville, Maryland
Consignment Coordinator***

Monitor and control consignment inventory
Coordinate and process demo equipment sales
Schedule, monitor and ensure the timely return of demo equipment
Load HP UNIX operating systems on HP9000 servers and workstations
Perform troubleshooting and repairs on non-functioning equipment
Utilize Demy, Flagship, WWOMS, PCCoe, cc:Mail, AmiPro, Lotus 123 and Netscape daily
Install add-on products (memory, disks, different cards and CD Roms) into systems
Maintain inventory database integrity, file and produce appropriate reports to ensure proper audit trail
Compose monthly reports for U.S. district sales managers and Consignment Program Manager
Communicate daily with sales reps, managers and customers
Resolve delivery problems, customer and/or sales rep issues
Coordinate with the Atlanta Help Desk for the repair of damaged equipment

February 1995 - December 1995

Systems Consultant

Replace, set up and ensure employees are able to functionally utilize all of the necessary features of their systems. Make systems virtually user friendly.
Explore the Internet and educate employees on how to utilize this tool in the workplace.

January 1994 - January 1995
February 1993 - July 1993

Ricards International, Inc., Silver Spring, Maryland
Facilities Manager and Systems Assistant

Facilities Manager

Managed purchase requests for over 100 employees
Processed orders and tracked their progress through the Deltek system
Negotiated with vendors and project managers
Coordinated the ordering of supplies with the current inventory
Implemented inventory management system in Microsoft Excel 5.0
Served as repair troubleshooter for copiers and for Macintosh graphics equipment
Monitored Moose Z900 security system and arranged for access for all new users and updating existing users
Oversaw allocation of office space and mail operations

Systems Assistant

Assisted in setting up new personal computer system and implementing the work stations to interface with the Novell Network mainframe that replaced a UNIX system
Installed and set up numerous software programs required for Government contractors
Managed an inventory of the new and existing equipment in a database format
Tested and refined many new software applications for each workstation. Made the necessary modifications. Added modems to enable users to send and receive data
Searched for, located, and resolved network problems when they occurred
Attached independent printers to users' work stations.

June 1980 - December 1992

American Mining Congress, Washington, D. C.
Supervisor

Supervised the in-plant printing division for a national trade association representing the mining industry, seven presses and up to fourteen employees
Analyzed routines and implemented procedural changes that resulted in increased productivity and cut costs dramatically
Proofed documents to be reproduced and distributed to member companies nationwide
Produced very positive results with outdated equipment until replacement equipment could be purchased
Became skilled at using the following equipment: Xerox Docu-Tech, Xerox 1090 and 3010, NMS Rena DA300 address labeling machine, a Friden Alcatel folding and inserting machine, the Pitney Bowes 6100 Mailing Machine with postage and UPS meters.

June 1978 - June 1980

Techna-Graphics, Inc., Washington, D. C.
Pressroom Layout and Press Assistant

Learned the art of printing and operated numerous printing equipment.

April 1973 - November 1977

State National Bank, Bethesda, Maryland
Teller and Loan Department Officer

Processed mortgage loans.

October 1971 - February 1973

Woodward and Lothrop, Chevy Chase, Maryland
Department Manager

Supervised the work of over 20 employees at times.

February 1971 - May 1971

U. S. Secret Service, Washington, D. C.
Officer

Graduated from the U. S. Secret Service Academy
Assigned to The White House division
Protection of the President, the Vice President, the First and Second families, the White House, Foreign Missions, Embassies and anyone directed by the President.

1965 - 1968

U. S. Army Chief of Staff, The Pentagon, Washington, D. C.
Staff Clerk

Held a Top Secret security clearance with numerous classified special categories above that
Assisted in General Westmoreland's transfer back to the Pentagon to become Chief of Staff
Managed and controlled many Viet Nam documents that needed to be presented to the Chief of Staff
Managed the numerous condolence letters sent to soldier's (missing and killed) survivors
Directed documents to 24th General Staff
Involved with the initiation and implementation of the newly established Management Information Systems (MIS) branch

EDUCATION

University of Maryland	-	Business Management
U.S. Secret Service Academy	-	Federal Law Enforcement
University of Virginia	-	Liberal Arts and Business Management
Montgomery College	-	Liberal Arts
City College of Gaithersburg	-	State Government

HEWLETT PACKARD TRAINING

UNIX System Basic 1
Numerous Server, Workstation, Mass Storage, Peripheral and Software classes
HP Unix 10.0 System Administration Basics
Netserver class
Numerous Tech Forums
Windows NT
Storage Network University

ACTIVITIES/ORGANIZATIONS

Represented the City of Gaithersburg as an ex-officio member at the Montgomery County's Growth Management Advisory Work Group (1990 - 1991);
The Route 28 Community Alliance – Member (1990 - 1996);
The Orchards Homeowners' Association – President (1988 - 1990); Member of the Board of Directors (1978 - 2000); Vice President 1996 - 1998
The Gaithersburg Ad Hoc Committee for Neighborhood Four Land Use (1987 - 1989);
The Gaithersburg Ad Hoc Committee for City Flag Use Procedure (1989 - 1990);
The Gaithersburg Ad Hoc Committee for Transportation (1989 - 1990);
The Gaithersburg Ad Hoc Committee for The Kentlands Building Use (1990 - 1991);
The In-Plant Printing Management Association, Washington D. C. Chapter – Meeting and Membership Chairman and Board Member (1982 - 1985);
Notary Public for the State of Maryland (1974 - Present)
Make-A-Wish Foundation - 1996 - 2001

December 12, 2005

Dr. Markham C. Luke
227 Lake Street
Gaithersburg, MD 20878

Dear Dr. Luke:

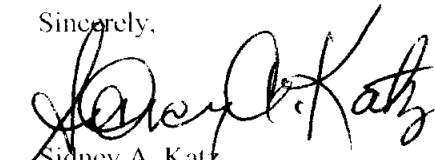

Your term on the Police Chief's Advisory Council has recently expired or will be expiring soon. On behalf of the Council Members and myself, I would like to express our appreciation for your commitment to serving our City in this capacity. Our Boards, Commissions, and Committees perform vital functions in a variety of areas, and we recognize and value your contribution very much.

As you may know, we recently revised our appointment policy to require that all volunteer positions be advertised to provide the public with an opportunity to apply. In the near future, we will be evaluating the requests to fill these vacancies and appointments will be forthcoming soon thereafter.

If you would like to be reappointed or if you do not wish to be reappointed to the volunteer body you presently serve on, please indicate so by signing below and returning this letter by, *Friday, December 23, 2005*. For your convenience, I have enclosed a self-addressed, stamped envelope.

Again thank you for your commitment to the City of Gaithersburg. If you have any questions, please feel free to contact Sarah Paxton, in the City Manager's Office, at 301-258-6310.

Sincerely,

Sidney A. Katz
Mayor

SAK/sp

Enclosure

I would would not like to be reappointed to the Police Chief's Advisory Council.

Subject: Technology & Innovations Committee

Dear Sir,

I would very much like to get involved with the local government to help make the city of Gaithersburg a better and more productive place for its citizens. I am also embarking on a long political career in which I hope to serve the public interest at the city, county, state, and federal levels for many years to come.

As such, I would like to see about being considered for appointment to the Technology & Innovations Committee since I have noticed that there is a vacancy listed on the website at:

http://www.gaithersburgmd.gov/poi/default.asp?POI_ID=627&TOC=256;223;627;

I have attached my resume for your review and would like to be considered for a position on this committee if one is available.

Sincerely and have a good day,
Lonnie T. Cumberland

OBJECTIVE

Our world is an exciting place and there are many challenges that face our everyday lives. It is my goals and intention to get involved in governmental issues so that I can help to make peoples lives more productive and enjoyable by being on the forefront of the legislative lines fighting for the people while addressing the concerns and issues that affect them most.

As I have conquered academic realms in the past and still do to this day by additionally becoming a part-time professor at Montgomery College, I will also persistently and consistently drive forward in the political arena, up the ladder, so that I will be able to help more and more people our community and our great nation. I am also committed to the aspect of bettering myself as well and am also working to complete my MBA in Business which will further enhance my business and political skills so that I might be able to help others.

I am committed to this political goal & career and will not stop as long as there are people that need help to make their lives and communities a better place to live.

FORMAL EDUCATION

Masters Degree, Masters in Physics & Astronomy, Wayne State University, Detroit, Michigan (Completed Requirements Dec 2002) (Awarded 2004)

Masters of Science, MS in Computer Science, University of Southern Mississippi, Hattiesburg, Mississippi (Aug 1999)

Bachelor of Science, BS in Mathematics/Physics, University of Southern Mississippi, Hattiesburg, Mississippi (May 1998)

Associates of Science, AS Degree, Mississippi Gulf Coast Community College, Biloxi, Mississippi (June 1996)

Graduated High School – Yongsan Army Garrison, Seoul American High School, Seoul Korea.

Related information:

While attending the University of Southern Mississippi, I was concurrently working on a triple major in Physics, Mathematics, and Computer Science.

MILITARY BACKGROUND

United States Air Force (Dec 2002 – Nov 2005): Officer and Physicist in the Health Physics (43Y) career field and Officer In Charge (OIC) of the Surveillance Directorate Radioanalytical Counting Branch (AFIOH/SDRR). Air Force AFRAT Team Leader.

United States Army (1984 –1987): UH-1H Helicopter crew chief/door gunner in the 67N MOS (career field) at Ft. Carson, CO.

ADDITIONAL EDUCATION & TRAINING

United States Air Force Officer Training School OTS (Maxwell AFB, AL, Jan 7th – Feb 6th 2003)

Radiation Protection and Safety Course (Oak Ridge, TN, March 3rd – April 4th 2003)

Air Force MURT (Readiness) Training

DTRA - Defense Threat Reduction Agency - "Hazard Prediction & Assessment Capability (HPAC) and Consequence Assessment Training (CATS-JACE)" - October 2003

Laser Safety Officer Certification. (Cat I & II Certification – June 2004)

NRC - United States Nuclear Regulatory Commission - "Applied Health Physics (H-109)" - April 2003

Small Unit level training (US Army) with extended field exercises covering OPFOR aerial and ground missions. (Ft. Erwin, Ca)

AWARDS, SCHOLARSHIPS & CONFERENCES

NSF-IGERT Fellowship (National Science Foundation -- Integrative Graduate Education and Research Traineeship Program) – 2 years

Wayne State University Computer Science Teaching Award (2000)

IEMS'99 International Conference, Cocoa Beach, FL, March 8-10, 1999

Graduated University of Southern Mississippi Masters Program with 3.9 GPA

President of the Society of Physics Students, University of Southern Mississippi Chapter – 1 year

Dean's List – 3.5 or higher GPA (numerous times in all universities attended)

Society of Nuclear Medicine Annual Meeting and Conference Registration

Attended:

47th (2000) in St. Louis MO annual meeting

48th (2001) in Toronto Canada annual meeting

49th (2002) in Los Angeles California annual meeting

SKILLS & ABILITIES

Physics

Graduate Level Courses – Classical Mechanics, Statistical Mechanics, Thermodynamics, Modern Physics, Electricity & Magnetism, Quantum Mechanics

Core Level Courses – Classical Mechanics, Statistical Mechanics, Thermodynamics, Modern Physics, Electricity & Magnetism, Quantum Mechanics, and all related lower level courses.

Specialized Courses – Nuclear Physics, Quantum Field Theory, Particle Physics, Numerical Analysis Methods, and Mathematical Physics.

Mathematics

Various Courses – Trigonometry, Discrete Mathematics, Calculus I & II, Linear (Matrix) Mathematics, Differential Equations I & II, Partial Differential Equations I & II (Adv Math I & II), Probabilities and Statistics, Linear Algebra, Numerical Analysis I & II

Computer Science

Software and Programming Languages

Skilled in computer programming for the following languages – C/C++, C-Sharp, Lisp, Prolog, Visual Basic, Perl, Java, Pascal, and Assembly languages on the Intel and Motorola series processors.

Web Based and Database languages include – HTML, VRML, JavaScript, VB Script, along with Oracle 8i, MySQL, PostgreSQL, Sybase systems, all of which incorporate some type of PL/SQL procedural query language and C/C++ API.

Operating System skills include – Windows 3.x, Windows 95/98, Windows NT/2000 (Server/Client and Administrations), Various Linux versions such as RedHat and Mandrake to name a few, Unix based systems to include Sun Solaris and FreeBSD, along with systems like Macintosh as well. All at the Administrator and Developer level.

Specialized Devices include – Installing, administering, and maintaining Linux based firewalls, Internet/Intranet networking infrastructures, and network terminal servers.

Specialized Courses include – Artificial Intelligence Systems, Advanced Neural Networks, Expert Systems, and Data Mining

Teaching Experience

University of Southern Mississippi, Computer Science Department -- Graduate Teaching – 1 year (as a graduate student)

University of Southern Mississippi, Department of Physics and Astronomy -- Graduate Teaching – 2 years (as a graduate and undergraduate student)

Wayne State University, Department of Computer Science -- Graduate Teaching – 1 year (as a graduate student)

Wayne State University, Department of Physics and Astronomy – Graduate Teaching – 1.5 year (as a graduate student)

Publications

"Data Mining HIV drug resistance with Neural Networks" - Draghici S., Potter B, Cumberland L., submitted to Bioinformatics 2000

Quantum level Quark Gluon Plasma Bubble Formation publication – Dr. Sean Gavin, David Bower, Lonnie Cumberland (Being submitted) (2002)

"Correlation of HIV protease structure with Indinavir resistance: a data mining and neural network" - Draghici S., Lonnie Cumberland, Ladislau C. Kovari – (2000)

"Genetic Algorithms And The Future of Artificial Intelligence," Lonnie T. Cumberland and Adel Ali, Proceedings of the IEMS'99 International Conference, Cocoa Beach, FL, March 8-10, 1999.

"3D Computer Graphics for Computing Non-Intuitive Concepts: Quantum Computing", Lonnie T. Cumberland and Dia Ali, Proceedings of the IEMS'99 International Conference, Cocoa Beach, FL, March 8-10, 1999.

National Poetry Society – Poem Published (Approximately 1993)

Research Activities

Computer Science Research in Artificial Intelligence while a graduate student.

University of Southern Mississippi, Dr. Dia Ali, Masters graduate advisor

Wayne State University, Dr. Sorin Draghici, Doctoral graduate advisor.

Physics Research

Molecular Dynamics research and simulations with Dr. Jun Lee from the University of Southern Mississippi

Quantum level Quark Gluon Plasma research associated with the RHIC (Relativistic Heavy Ion Collisions Group based at Upton, New York) with Dr. Sean Gavin of Wayne State University

COAM-ICON (Center for Ocean and Atmospheric Modeling) with Dr. Igor Shulman, Location: The NASA John C. Stennis Space Center in Mississippi. This was also a scholarship.

COMMUNITY SERVICE ACTIVITIES

Mississippi Gulf Coast Community College, Jefferson Davis Campus – Science Learning Center – Designed and rebuilt their entire computer network.

University of Southern Mississippi, Computer Science Department – Artificial Intelligence Laboratory – Developed their entire computer network.

University of Southern Mississippi, Computer Science Department – Graduate Physics Computer Network – Rebuilt the computer network and helped being the Computer Network Administrator.

Wayne State University, Mathematics Department, Computer Systems Networking Advisor to the Administrator for the implementation and administration of their Computer Network.

Wayne State University, Computer Science Department – Intelligence Systems laboratory – Installed a security firewall and administered the computer network.

Wayne State University, Physics and Astronomy Department – RHIC (Relativistic Heavy Ion Collisions Group) – Installed a security firewall and rebuilt the computer network.

Wayne State University Medical School, Department of Psychology & Behavior Sciences – Installed a security firewall and administered the computer network.

Children's Hospital of Michigan, PET Center (Positron Emissions Tomography Center) – Installed a security firewall and administered the computer network.

EXPERIENCE

November 2005 – Current

National Institute of Standards and Technology (NIST)

I have just arrived in Gaithersburg, Maryland, to start the new position as a Physicist, at the National Institute of Standards and Technology (NIST).

December 2002 – November 2005

United States Air Force

An Air Force team chief officer working in the area of Radiological Assessment & Protection at Brooks AFB, TX, where we monitor, evaluate, and deploy via the Air Force AFRAT team to locations radiological events worldwide in response to radiological events. I am also currently studying the Korean language through the FAO (Foreign Area Officers Program) and will be learning Arabic in the near future. Should be completing the DLPT for both languages within 6 – 8 months. Executes operational planning, policy, and technical procedures for the production of over 60K radiation measurements annually. Provides technical oversight of four technicians who calibrate, maintain, and operate state-of-the-art nuclear radiation instrumentation valued over \$1.5M. Provides professional interpretation of data and determines impacts of measured results for regulatory compliance, hazard and risk assessment, and radiation dose to the USAF and DoD personnel exposed to radiation sources. Chief, Radioanalytical Assessment Team Unit Type Code (UTC), providing deployable radioanalysis of samples during radiological/nuclear events

August 1999 – December 2002

Wayne State University, Detroit, Michigan

Upon arrival to Wayne State University, I initially did graduate teaching in the areas of teaching Computer Science Labs in the Computer Science Department. During this time I was also the computer systems network developer and administrator for the Computer Science Intelligent Systems lab. My initial research was with Dr. Sorin Draghici where we used Computer Neural Networks to investigate the relations of the HIV-1 "wildtype" virus and inhibitors at the level of training the neural network to search for patterns at the atomic binding sites.

In 2000, I transferred from the Wayne State Computer Science doctoral program to the Wayne State University Physics and Astronomy department to pursue my dream to complete a Ph.D. in Physics & Astronomy. My initial assignments included the taking of core courses and teaching Undergraduate Physics and Astronomy Labs in the Physics department.

Currently I am working as a Research Assistant to Dr. Sean Gavin where our investigations are in the search for the Quantum level Quark Gluon Plasma properties along with simulations using the hybrid diffusion/wave equations in cooperation with the STAR project at RHIC. (Relativistic Heavy Ion Collider in Upton, New York)

February 1998 - July 1999

University of Southern Mississippi, Hattiesburg, Mississippi

During the first part of this time period I continued to teach for the Physics Department in which I conducted and maintained three physics laboratory classes per week. Another part-time job that I performed was that of a systems administrator for two server computer systems called "PAX" and "EOS" in which I help maintain user accounts and systems resources along with developing a new system design.

For about the last year of this time period worked out at the NASA John C. Stennis Space Center with Dr. Igor Shulman as a research assistant on the ICON/COAM ocean modeling project. My duties were to help write software in FORTRAN to simulate the Monterey Bay ocean system dynamics and to also develop and maintain the ICON/COAM web pages.

June 1996 - February 1998

Cook Library, University of Southern Mississippi, Hattiesburg, Mississippi

Worked part-time as computer technician, and software developer at the University of Southern Mississippi Cook library. Duties include the maintenance of approximately 50 personal computers to include the software updating, and installation of various application packages. Other duties included the development of Intranet and Internet web based software using the Sapphire 5.0 database engine with interfaces written using Java, C/C++, Perl 5, and SQL.

Worked as a research assistant to Dr. Joon Lee, theoretical physicist, with a focus on investigating the molecular dynamic properties of multiple specie interactions using computer simulations written in FORTRAN, and the C/C++ language with visual imaging implemented with the Povray ray tracing software.

Also worked continued my Physics teaching duties where I maintained and conduct two astronomy classes per week These duties include teaching the students by lectures, conducting weekly laboratory experiments for the students, and grading weekly laboratory reports.

1993 - 1995

Mississippi Gulf Coast Community College, Gulfport, Mississippi

Worked in the science computer laboratory as the computer network administrator. Duties included the setup and development of the laboratory using a Novell token ring server to network approximately 20 personal computers so that the students could run interactive science applications.
